Boundless Media

Way back on June 1st of 1983, a small, undistinguished P.R. firm opened – *Michael Levine Media*. Founded on a tiny, borrowed desk above *The Beehive* hair salon in the San Fernando Valley, the firm quickly began an extraordinary growth spurt representing people principally in the entertainment industry, including their first partner, comedian Joan Rivers.

The company grew significantly in the next five years to among the three largest entertainment P.R. firms in the country, representing over time a record-breaking 58 Academy Award winners, 34 Grammy Award winners, and 43 New York Times bestsellers. In addition, Boundless Media USA has represented countless corporations, entrepreneurs, attorneys, doctors, authors, inventors, realtors, producers, directors, and assorted large and small business owners. Boundless Media USA has provided non-paid media counsel to three U.S. Presidents (of both political parties).

Michael Levine, founder of Boundless Media, is offering a free 15-minute phone consultation to 2024 COVR Visionary Award Winners. To learn more, visit <https://boundlessmediausa.com/>. To redeem this offer, email mlevine@timewire.net and mention that you're a 2024 COVR Visionary Award Winner.
